

Legal Notice

All content of this Internet site, is owned or controlled by the Journal of Aesthetic Medicine and Dermatology (EJAMeD), edited by the Editorial Division of Marllor International, and is protected by worldwide copyright laws. The content of this site cannot be used for commercial purposes without express written consent. No modification or further reproduction of the content is permitted. Content may not be used to create a compilation or directory without consent from EJAMeD.

EJAMeD will use reasonable efforts to include up-to-date and accurate information in this site, but makes no representations, warranties, or assurances as to the accuracy, currency or completeness of the information provided. JDD shall not be liable for any damages or injury resulting from access to, or inability to access this site, or from use of or reliance on any information provided on this site.

The trademarks, service marks, trade names, trade dress and products on this site are internationally protected and may not be used without the prior written authorization of the owners thereof.

By providing your email address, you give permission for EJAMeD and Marllor International to send periodic emails announcing new feature updates.

We reserve the right, at our discretion, to change, modify, add, or remove portions of these terms at any time. Please check these terms on the EJAMeDonline website periodically for changes. Your continued use of EJAMeDonline following the posting of changes to these terms will mean you accept those changes.

Statement of Copyright Ownership and Law

All content published by the *Journal of Aesthetic Medicine and Dermatology* (EJAMeD) is protected by copyright, trademark and other internationally binding intellectual property laws, and all relevant international treaties and agreements not named here.

Content published in the *Journal of Aesthetic Medicine and Dermatology* (EJAMeD) — which is supplied either in print or digital form, including but not limited to: the printed journal (including supplements), reprints, online articles, portion of journal or entire issue, digital proofs (pdf or any other format) may NOT be copied, scanned, digitally captured, modified, reproduced, uploaded, posted, republished, transmitted, stored, archived, or distributed in any way unless such use is specifically permitted via a signed, duly authorized agreement.
